Homeowner Name (Print)	Email
Homeowner Signature	Date (mm/dd/year)
Project Description (include materials to be used and dimensions):	
For paint/stain exterior color: <u>Attach paint samples or chips with description</u> . Contact Terri Wallace (772) 766-2791 for HOA approved paint Color Wheel.	
For installation of fencing, significant landscaping, additions to the exterior (including siding): Attach copy of plot plan.	
For roofing: <u>Attach colored photo of roofing material with description</u> . Examples: "Arcitechtural Asphalt: Owens Corning TruDefinition Duration Antique Silver". "Metal: Integrity Metal im675sl-032-aluminum-dove-gray".	
In addition to the above, be sure to include along with this application a copy of your contractor's name, license, certificate of liability insurance.	
All construction and installation improvements must comply with local, county, state, federal building or land use regulations. Compliance with these regulations is the responsibility of the homeowner. This ARB review and approval is not a review or an approval for compliance with local, county, state, federal building or land use regulations.	
The ARB rules help maintain the curb appeal of the neighborhood, which helps to enhance property values. As a member in your deed-restricted community, it is your obligation to comply with all of the documents for your community. A reminder that you agreed to abide by the Preserve of Vero Beach Homeowners Association covenants, conditions, and restrictions when you purchased your home. <u>Your ARB must approve exterior improvements prior to commencement of work</u> .
